Dear Harold,

Today, my friend "Dr." Robert Bietcher received a package of reprints from Lattimer with a note dated 2/16/72, signed by Lattimer and reading, "For your interest." Here is a list of the enclosed articles. If you don't have any, tell me and I'll send copies.

1. THE WOUND THAT KILLED LINCOLN, from JAMA, Feb 15, 1964

2. FACTORS IN THE DEATH OF PRESIDENT KENNEDY, JAMA 10/24/66

3. THE KEN*CON SINGLE BULLET THEORY: A FEASIBILITY STUDY, from International Surgery, Dec 1968

4. THE STABBING OF LINCOLN'S SECRETARY OF STATE IN THE NIGHT THE PRESIDENT WAS SHOT, from JAMA 4/12/65

5. THE WOUND THAT KILLED LINCOLN, Illinois Medical Journal, November 1970--(not same as #1).

Of course, all of the above are by Lattimer.

Best,

Howard

P.S.- TODAY I SAW THAT A HERITAGE OF STONE CAME OUT IN PAPERBACK.
